**Who are
CIMSPA?**

Why?

Our vision

Shaping a **recognised, valued** and **inclusive** sport and physical activity sector that everyone can be a part of.

How?

Professional Standards (georgia)

- CIMSPA's professional standards have been formed through collaboration with organisations to identify what knowledge, understanding and skills they are looking for in employees.
- Using the standards can help you work towards the requirements for certain job roles. Allowing you to tailor your work experiences and develop your skills to what the industry want.
